THE SMALL PRINT:

- The leading two eligible teams will play a head-to-head 48-board match at a later date to determine the winner of the Ian Gardiner Trophy.
- The Trophy winners will be entitled to represent London in the Pachabo Cup, the national inter-county teams championship. They will also be invited to play off against the Young Chelsea Knock-Out winners to represent London in the Lederer Memorial Trophy in 2020.
- All players must be LMBA members. To be eligible for the final, all players in a team must also have London as their primary County of Allegiance *before the event*.
- The qualifier is scored using the same method as the Pachabo – a combination of IMPs and point-a-board. EBU level 4 systems are permitted.
- The early start on the day is combined with a short break between sessions, allowing an early finish on Sunday evening.
- Entries should be sent to lmbaentries@gmail.com, quoting Ian Gardiner in the subject. Entries on the day accepted.
